

Olde Berkeley Garden Club: Sheri Lincecum @ 410-375-3418

Peony Garden: One of our members actually has a peony garden, Denise Boehm. She showed her garden, had handouts & explained how to identify the numerous species.

Succulents: This was a talk by Jim Wassel (304-582-9493) & he spoke about how to grow them & use them in artful ways.

How to grow Orchids: This program was done by Zita Winzer from the Lord Fairfax Orchid Society. She spoke about how to grow & care for Orchids & that they are not as hard as you think.

Forcing Bulbs – Amaryllis: One of our members did this program, Mary Jane Heffle. She talked about how to prepare them for planting, how to plant them & how to store them & then replant them.
