Homewood Nursery

A cooling herb, so fresh and bright,
Its scent is known at first delight.
Find the leaves that bring a chill,
Your hidden clue is waiting still.

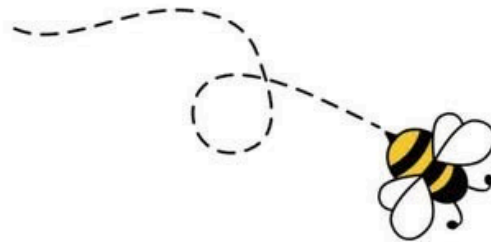

Atlantic Gardening

Among orchids rare and blossoms bright,
Find the one with petals white.
Soft and delicate, a beauty untold,
This floral clue is pure as gold.

Logan's Garden Shop

At the farmers market,
where fresh things grow,
A grove of trees puts on a show.
Among the fruits,
both tart and sweet,
Find the clue where flavors meet.

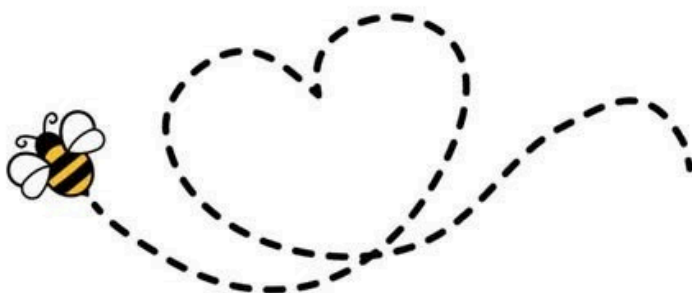

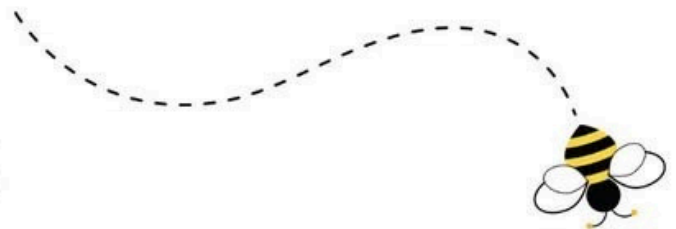

Macon Gardens

Some blooms can shift from blue to pink,
Their colors change more than you think.
Search for the ones that play this trick,
And you will find your clue right quick.

Norwood Gardens

Look beneath the trees so tall,
Where feathery leaves sway and fall.
Soft and green, they hang with grace,
Find the clue in this shaded place.
